Dear Sir,

With reference to the subject cited above, regarding the submission of the joint factory visit test reports for M/s. Devashree Ispat Pvt Ltd (Shree TMT), Shadnagar, Ranga reddy dist , Telangana, in connection with the procurement of reinforcement bars (steel) for our review and concurrence towards source approval,

We have thoroughly reviewed the submitted documents and found them to be satisfactory and in full compliance with the requirements specified under Clause 115.4 of the MoRT&H Specifications and IS:1786:2003 standards.

Hence, herewith we accord approval to **M/s. Devashree Ispat Pvt Ltd (Shree TMT)**, Shadnagar, Telangana, for the procurement of reinforcement bars (Grade Fe 550: Size – 8mm to 32mm), to be utilized within the scope of work for the project, subject to the following conditions:

- 1) Signed copy of Manufacturer's test certificates are required for every lot/consignment of material procured.
- 2) With the test results shown, it is instructed to get third party testing for each Lot/Consignment at any of NABL accredited laboratories and accepted by the Independent Engineer/Authority to make sure the properties are meeting the specification requirement. Any mismatch found in the properties with respect to the specification requirement at any point of time will lead to re examine the whole process and further procurement should stop with immediate effect including the rejected lot.
- 3) Stacking is to be done in accordance with the clause 1014.5 & 1603 of MoRT&H specification.
- 4) Proper records shall be maintained at lab with details of incoming, consuming details on daily basis.
- 5) The steel shall be procured directly from the approved manufacturer without involvement of local dealers/suppliers.
- 6) The contractor must ensure the quality of steels delivered at site by the vendor.
- 7) Final source approval for steel can be considered only after submission of third party test reports for Physical and chemical tests are satisfy the specification limits as per IS: 1786.2008 and. IS:2770 part.1 "final source approval" will be issued.

However, Please note that this approval is subject to the maintenance of quality standards and the renewal of BIS Certification. In the event of any negative feedback or deterioration in quality, this approval will be automatically cancelled. Mandatory tests or checks will be conducted as and when required to ensure consistent quality and performance.

This is for your kind information and further necessary action.

Thanking You,

For M/s Geo Designs & Research Pvt. Ltd.
